7:00 am General Session
12:00 pm Luncheon Workshops
1:00 pm General Session
2:30 pm Adjourn

COURSE CO-CHAIRMEN

Douglas A. Dennis, MD Denver, CO, USA
Arlen D. Hanssen, MD Rochester, MN, USA
Richard D. Komistek, PhD Knoxville, TN, USA
W. Norman Scott, MD, FACS New York, NY, USA

INVITED FACULTY

Masao Akagi, MD, PhD Osaka, Japan
Jean-Noël Argenson, MD Marseille, France
Dae-Kyung Bae, MD, PhD Seoul, South Korea
Daniel J. Berry, MD Rochester, MN, USA
Nicolaas C. Budhiparama, Jr., SpOT Jakarta, Indonesia
John J. Callaghan, MD Iowa City, IA, USA
Hal E. Cafes, MD Knoxville, TN, USA
William B. Kurtz, MD Nashville, TN, USA
Adolph V. Lombardi Jr., MD, FACS New Albany, Ohio, USA
Steven J. MacDonald, MD, FRCSC London, ON, Canada
Mohamed R. Mahfouz, BS, MSc, PhD Knoxville, TN, USA
Ormonde M. Mahoney, MD Athens, GA, USA
William J. Maloney, MD Redwood City, CA, USA
S.K.S. Marya, MS, DNB, MCh, FRCS, FICS New Delhi, India
Tokifumi Majima, MD, PhD Sapporo, Japan
Shuichi Matsuda, MD, PhD Kyoto, Japan
Arun Mullaji, MD Mumbai, India
Cass K. Nakasone, MD, **Local Host** Honolulu, HI, USA
Philip C. Noble, PhD Houston, TX, USA
Paul J. Rullkoetter, PhD Denver, CO, USA
Jasmeet Singh Saren, Ms Ortho Kuala Lumpur, Malaysia
Giles R. Scuderi, MD New York, NY, USA
Edwin E. Spencer Jr., MD Knoxville, TN, USA
John W. Sperling, MD Rochester, MN, USA
Alfred J. Tria Jr., MD Somerset, NJ, USA
Jan M.K. Victor, MD, PhD Gent, Belgium
Ray C. Wasielewski, MD Columbus, OH, USA
Hong Zhang, MD Beijing, China
Yixin Zhou MD, PhD Beijing, China

TOPICS OF INTEREST

- Knee Mechanics
- Sensor Technology in Arthroplasty
- Patellar Resurfaces Issues
- Knee Disease: Non-Arthroplasty Option
- Optimal Patients for Partial Knee Arthroplasty (PKA)
- Approaches to Patellofemoral, Meniscal, and Articular Cartilage Surgery
- Current Treatments Involving Arthroscopic and Open Options for Sports-Related and Common Knee and Shoulder Injuries
- Arthroplasty Options for the Shoulder and Elbow
- OR and Practice Management Efficiencies
- Hip Mechanics
- Alternative Bearings in Total Hip Arthroplasty (THA)
- Computer Navigation in Joint Replacement
- Peri-Prosthetic Fracture Management
- Ethnic, Gender, and Health Issues in Arthroplasty
- Hip Disease: Non-Arthroplasty Options
- Hip Resurfacing
- Femoroacetabular Impingement

IMPORTANT DATES

DECEMBER 31, 2013
Early-Bird Registration Deadline

JANUARY 17, 2014
Abstract Submission Deadline

MARCH 15, 2014
Abstract Notifications

JUNE 13, 2014

REDUCED RATES FOR STUDENTS/RESIDENTS/FELLOWS: \$150 USD/night. Only 20 rooms available. Must provide documentation verifying student status to ICJR.

Congress rates are available three days before & after the ICJR Congress.

PAN PACIFIC PRESIDENT'S CUP TOURNAMENT

Join us on Wednesday, July 16, 2014 at the Pan Pacific President's Cup Tournament, which will involve golfers from Asia, Australia, and North America. This event is only open to participants desiring to represent their continent in some pre-Congress fun and relaxation. Each participant can choose to play 18 or 36 holes. The ICJR President's Cup trophy will be announced at the ICJR Awards Dinner. If you would like to represent your continent, please sign up for this intercontinental match-up by contacting Professor R. D. Komistek at rkomistek@icjr.net.

Dear Colleague,

On behalf of the International Congress for Joint Reconstruction, we would like to extend an invitation for you to join us for the first-ever ICJR Pan Pacific Congress, scheduled to be held on July 16-19, 2014, at the Hilton Waikoloa Village on the Big Island of Hawaii.

The 2014 ICJR Pan Pacific Orthopaedic Congress will convene with over 1,000 surgeons and researchers from the Pacific Rim and North America with the purpose of expanding global understanding of key issues in orthopaedics. With the comprehensive focus on knee, hip, shoulder, elbow, and ankle arthroplasty, as well sports medicine, this course will explore the areas of customized instrumentation, surgical navigation, imaging, clinical evaluations and outcomes, and long-term follow-up, with the goal of translating research into practical medicine and better patient care.

This dynamic congress will engage participants through scientific podium and poster presentations, debates on controversial topics of concern to the orthopaedic surgeon today, workshops and standard didactic presentations by a panel of global experts in orthopaedics. We are accepting abstracts for podium and poster presentations now and numerous awards will be given based the quality of the research presented.

The Congress will feature an internationally recognized athlete as our invited guest speaker. In addition, we will have a special session involving CEOs from multiple orthopaedic manufacturers to get their take on the future of the orthopaedics industry.

We look forward to seeing you on the Big Island of Hawaii where the weather is outstanding and the orthopaedic interaction is even better.

Aloha,

Richard D. Komistek, PhD
Course Co-Chair

ICJR

**International Congress
for Joint Reconstruction**

**Unifying Community by
Reinventing Orthopaedic Education**

ABOUT ICJR: Founded in 2007, ICJR is a non-profit organization dedicated to providing orthopaedic surgeons with quality education delivered by leaders in orthopaedics. ICJR supports advances in orthopaedics by reinvesting back into the community via philanthropic activities.

Be part of the growing orthopaedic community.
